

Marco Contractors Online Private Construction Office powered by iSqFt

Provides our construction professionals with the **information, tools** and **connections** needed to find, bid and WIN more work!

Marco Contractors Online Private Construction Office

powered by iSqFt

Gives you the freedom to spend more time working and less time looking for work.

- More than just an online plan room, our online private construction office can:
 - Show you more and better bid opportunities
 - Offer a larger pool of jobs to choose from
 - Provide you with anywhere, anytime access to complete drawings, plans, and specs

Access Marco Contractors comprehensive online database of upcoming projects

- Find just the right jobs with searches that make it one-click simple
- Search by geographic parameters, trades, and more
- Know who to contact with a complete bidders list
- Track the status of projects throughout the bid process
- Download or print drawings and specs right from your computer

Project Lead Management

Assess and compare job opportunities, selecting only the ones that are right for you. Bid on your schedule with 24/7 access to project info.

- Pull up drawings, specs, and addenda remotely—just log in and work
- Bid on jobs in new markets
- Get automated daily emails with project updates

Get jobs that match your skills and location.

Complete Your Profile - Step 2 of 3

Define your Service Area by selecting the counties in which you're willing to work. **IMPORTANT:** Service Area is different from Subscription Area. Your Service Area is where you're willing to work. Your Subscription Area is the geographic area that may have been purchased on iSqFt.

Search for counties

By Zip Code: Counties within miles of postal code:

or

By State:

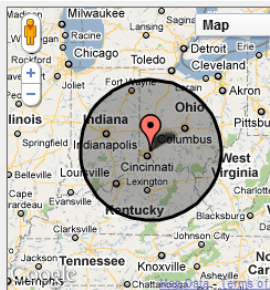

2 Add counties to your profile

Select from:

- IN - Adams
- IN - Allen
- IN - Bartholomew
- IN - Benton
- IN - Blackford
- IN - Boone
- IN - Brown
- IN - Carroll
- IN - Cass

Selected:

- OH - Adams
- OH - Allen
- OH - Ashland
- OH - Athens
- OH - Auglaize
- OH - Brown
- OH - Butler
- OH - Champaign
- OH - Clark

Complete Your Profile - Step 3 of 3

Defining your trades is an important part of your profile because it ensures you're matched up with the right jobs. [Why can't I select Individual CSI Codes?](#)

1 Select a division or search by keyword

By Division: or Search by Keyword:

2 Add trades to your profile

Select from:

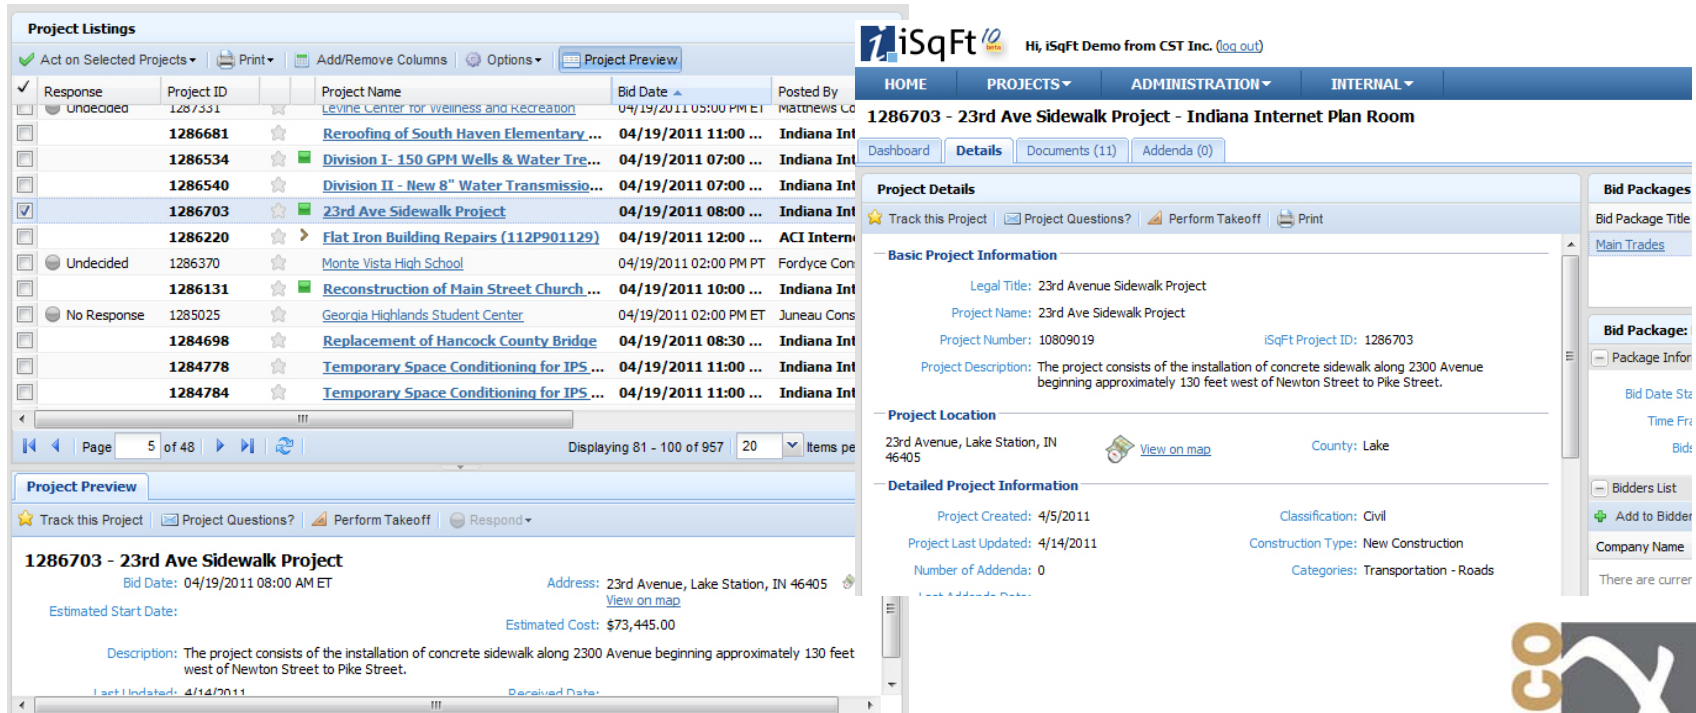

- Concrete
- Concrete Forming and Accessories
- Concrete Reinforcing
- Concrete Pumping
- Post-Tensioned Concrete
- Precast Concrete
- Cast Decks and Underlayment
- Grouting
- Mass Concrete
- Concrete Cutting and Boring

Selected:

- ▼ Tilt-Up Concrete
 - MasterFormat 1995 CSI Codes included in this Trade:
 - Tilt-Up Precast Concrete (03470)
 - MasterFormat 2004 CSI Codes included in this Trade:
 - Tilt-Up Concrete (034713)
- Cast-in-Place Concrete

Viewing Project Listings

Access project listings with detailed information like bid dates and times, bidders lists, project meetings, and more.

The screenshot displays the iSqFt web interface. At the top, there's a navigation bar with 'HOME', 'PROJECTS', 'ADMINISTRATION', and 'INTERNAL'. The main content area is divided into two sections: a 'Project Listings' table and a 'Project Details' view for project 1286703.

Project Listings Table:
